July 2009

## Breaking news!

Mass Humane Society is planning to establish a cat sanctuary in the South Shore/ Boston metro area. The Mass Humane Society Cat Sanctuary is a fresh new challenging venture—and much needed!

Watch for details on our website in the future. Mass Humane Society Inc., in East Weymouth is affiliated with the Mass Humane Society Cat Sanctuary. You can also contact the shelter for more information.

## Message from the President

*I would like to start by thanking so very much all of our dedicated, supportive donors that have invested in us so that we may continue our work in helping unwanted*

*homeless animals. And I also want to thank so very much all the MHS volunteers that dedicated their labor of love in helping homeless animals and MHS.*

*The impact of the negative economy has definitely caused many more animals to be homeless/unwanted and abandoned.*

*any longer, such as birds, ferrets, rabbits and reptiles, MHS diligently helps find homes for all these animals.*

*We have rescued many cats and dogs this year so far and MHS will continue this important work for the homeless, abused, abandoned. strau*

## Low-cost spay days a success

*The Merrimack River Feline Rescue CatMobile visited MHS for spay/neuter days. More than 140 felines were treated! \$75 in spay/neuter, microchip, flea treatment, deworming, rabies and distemper vaccines. All cats over two pounds were eligible, including ferals in cages or traps and pregnant spays. MHS hopes to host more low cost spay days for cats in the*

*MHS hosted another successful yard sale and educational K-9 demonstration on June 20. Thanks to all who participated!*

## **Donate to MHS just by shopping or searching!**

*If you shop at Shaw's or Star Markets you can help Mass Humane without doing anything extra. Shaw's Community Rewards is a program that lets you do just that. Visit [www.albertsons.com/cp/shaws/](http://www.albertsons.com/cp/shaws/) to get a Rewards Card, or register an existing card. Then use your card when you do your regular grocery shopping on Tuesdays, Wednesdays or Thursdays and Shaw's will contribute 1% of each purchase to MHS!*

## Sponsor an animal

*If you love animals but aren't able to give one a home, there are other ways you can help! With the Sponsor an Animal Program we will match you to an animal that has special needs. Whether it be veterinary treatments, medication or special food, these animals require that little extra bit of TLC. They are very loving and deserve the best quality of life we can provide. Your generous contribution will help!*

*This gentle giant is a handsome boy! Sam is a neutered three-year-old German Shepherd/Labrador Retriever cross. His rabies and distemper are up to date and he's heartworm negative. He is a light blond, weighs about 80 pounds, and is high-energy. He is house trained and needs active people! He is a very affectionate dog with a good disposition. He loves to go for leash walks but does need some training. MHS volunteers are training him and his walking has*

*improved so much. He likes the car and loves to play ball and run around the yard. He does fine with other dogs, but no cats or small toddlers (kids 18 years and up are OK). His previous owner has been incarcerated and other family members have to move and cannot take Sam. He is looking for a loving, caring, responsible home that will keep him for good. If you're interested, come and meet Sam at the shelter, call 781.335.1300 or email*

### **Seniors for seniors program**

**If you are 60 years of age or older and would like to adopt one of our mature cats/dogs that is seven years of age or older, the "Seniors for Seniors" program will waive the adoption fee. We understand that seniors are on a fixed income, so your lovable companion will be spayed/neutered and will have had all of his/her vaccinations before going home with you.**

**After you take your new best friend home—cat**

## MHS shelter info

*The MHS shelter is open Monday through Sunday.*

*To schedule an appointment to view animals for possible adoption, please call 781/335-1300 or email [masshumane@aol.com](mailto:masshumane@aol.com).*

*We are open the first Saturday of each month from 10:30 a.m. to 1:30 p.m. for visitors to view animals for*
